We'd like to send our sincerest appreciation to Mr. Scott Sager and the Blue Mountain Insurance Professionals for their generous donation of \$5000 to the Umatilla County Search and Rescue Foundation (UMASAR). The funds will support search and rescue operations throughout the county and could ultimately save lives.

The mission of the UMASAR Foundation is to increase resources, raise funds, and promote public awareness in support of search and rescue activities conducted by volunteers of the Umatilla County Sheriff's Office. Search and rescue activities include, but are not limited to, training and mission operations. Mr. Sager is pictured below with UMASAR Coordinator, Sergeant Dwight Johnson

The Umatilla County Search and Rescue Foundation, is registered with the State of Oregon as a non profit corporation. The foundation is a non member organization managed entirely by the Board of Directors of the Foundation.
