City of Milton-Freewater

Measure No: 30-127

Caption: LOCAL OPTION TAX TO SUPPORT PARKS AND RECREATION FACILITIES

Question: Shall Milton-Freewater impose \$100,000 annually for five years beginning in FY 19 for capital projects of recreation facilities? This measure may cause property taxes to increase more than three percent.

Summary: The measure would authorize a five year levy of \$100,000 per year for a total of \$500,000 to improve, replace or repair city recreation facilities including the Joe Humbert Aquatic Center, Yantis Park Playground equipment, Yantis Park walking trails, Golf Course cart paths, skate park facility, tennis court repairs, and ballfields in the City of Milton-Freewater. It is estimated that the proposed tax will result in a rate of \$0.37 per \$1,000 of assessed value in the first year. The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the County Assessor at the time of the estimate and may reflect the impact of early payment discounts, compression and the collection rate.

Umatilla County 4-H Extension and

Measure No: 30-126

Caption: Establish Extension Service District for 4-H, farms, families, and food

Question: Shall District be formed with a permanent tax rate limit of \$0.33 per \$1,000 assessed value, beginning July 1, 2018?

Summary: The election would establish the Umatilla County 4-H, Extension and Agricultural Research Service District ("District") encompassing all of Umatilla County. The District's purpose would be to serve urban, rural residents and agricultural operations, through:

- Community volunteers - 4-H Club, After-School, Summer Programs, Master Gardener, Family Nutrition, Woodland Manager;
- Applied research for farmers, ranchers, forest owners, orchardists, and vineyardist to solve disease, insect, production, conservation challenges;
- Community food systems, small farm development - food supply, safety, nutrition, local markets, agritourism;

Declining federal and state funding to counties has resulted in cuts to local programs, including Extension. A maximum rate of \$0.33 per \$1,000 assessed value would fund the District. This rate could not be increased and revenues could only be used to fund Extension programming. The owner of a house assessed at \$125,000 would pay a maximum of \$41 per year. The Board of County Commissioners would govern the District, advised by an independent citizen committee. An annual audit would be available to the public.
