FROM (DEPT/ DIVISION): Public Works
PROGRAM: 4530-59505
SUBJECT: Payment for sign materials

<p>Background: The Public Works Department is requesting approval for payment of sign materials purchased as part of our bridge weight limit postings as well as regular stock on hand. It has become necessary to purchase extra materials due to an increase in load limited bridges postings recently. In the past the purchase amount stock orders was low enough not to require commissioner approval for payment however due to a sharp increase in pricing and the added number of bridge postings this order was much larger than normal. We did get multiple quotes prior to order and Traffic Safety Supply was the lowest quote we received. This is a budgeted purchase and the funds are available.</p>	<p><u>ACTION REQUESTED:</u> Approve payment of sign materials to Traffic Safety Supply in the amount of \$5,612.10</p>
