

FROM (DEPT/ DIVISION): Public Works

SUBJECT: Bridge Timbers & Decking

<p>Background: Public Works is in need of bridge decking and various timber for bridge repairs. We attempt to keep these materials on hand for repairs as needed. Currently there is only 1 supplier we have been able to find that provides the materials we need for our wood bridges and that is Voorhees Wood and Manufactured products inc. The cost of the material we would like to purchase is \$27,496.80</p>	<p>Requested Action: Approval to purchase bridge materials from Voorhees Wood and Manufactured Products Inc. in the amount of \$27,496.80</p>
--	---
