Additional engineering effort by DataWorks Plus beyond the scope of the standard product will be charged at our standard rate of \$250 per hour, plus any related travel or administrative expenses. If a customer is providing their own PC (laptop, tower or desktop) for the use with a livescan, they will be required to send one example of each machine to Greenville for hardware testing and validation.

DataWorks Plus believes in ensuring that your data is secure. As such, all DataWorks Plus employees must pass an FBI background check as part of our hiring process. DataWorks Plus understands that agencies have their own background processes and will comply with standard vendor background checks for employees either participating in the install or on-going maintenance. Standard vendor background checks include fingerprints, employment history, local, state and/or FBI checks. Extensive background processes beyond what is considered a standard check will be at the sole financial responsibility of the agency and should be coordinated with DataWorks Plus for scheduling and billing.

DataWorks Plus appreciates the opportunity to present this proposal, which will be valid for 90 days, after which availability and prices are subject to change. To confirm your requisition, please submit your purchase order within this time frame. Prices are exclusive of any and all state, or local taxes, or other fees or levies. This quote is subject to the following conditions:

1. 50% payment due with Purchase Order
2. 50% payment due at installation.
3. Payment net thirty (30) days from receipt of invoice.
