( ) Discussion only

( ) Action

FROM (DEPT/ DIVISION): UCSO/Criminal

PROGRAM: 15600

SUBJECT: Purchase of Rugged Laptop

<p><b>Background:</b></p> <p>The Sheriff’s Office uses laptop computers in the field as Mobile Data Terminals (MDT). These MDT’s let deputies access information on calls for service, persons records, case information, etc. Additionally, the marine/ATV deputies use them to report waterway and ATV trail contacts to the State.</p> <p>UCSO’s marine/ATV deputies work in areas and conditions that are rather inhospitable to computers. In 2023 we purchased a rugged Toughbook for the marine deputy. As we are expanding the programs to include additional deputies certified for these functions, we need to add additional computers that are compatible with existing mounting hardware in the boats.</p> <p>IT received a quote from Price Computers to purchase Toughbooks at a cost of \$5,100.00 each. There is room in the budget for this purchase under 1010-20-15600-550013 (Marine Expense).</p>	<p>( ) <u>ACTION REQUESTED:</u></p> <p>Approve purchase of two (2) Toughbook 40 rugged laptop computer from Price Computers for a total cost of \$10,200.00.</p>
