27
Cabin

This is a black and white aerial photograph of a rugged, mountainous landscape. The terrain is characterized by steep slopes, ridges, and deep valleys. A prominent feature is a large, dark, irregularly shaped area in the center-left, which appears to be a dense forest or a large clearing. A small, circular feature is circled in black and labeled "Cabin". The number "27" is handwritten in the upper left quadrant of the image. The overall appearance is that of a high-altitude or mountainous region with significant topographic relief.
