**Narrative of Survey**

The Purpose of this survey was to show the location of a small Parcel of land to be acquired from the Mills Bros. in relation to the county road and the existing right-of-way lines of the USRS Feed Canal, as shown on County Survey #96-182-C. Because of the probability of destruction, no monuments were set on the corners of the parcel, but their locations in relation to found monuments set in County Surveys #96-070-C and #96-182-C are shown, as are local datum Coordinates on the parcel corners and found monuments. Bearing base is the rebar set on road centerline station 18+80.52 P.T. to the rebar at the S 1/16 Corner common to Sections 33 and 34 being N86°08'59"E (C.S. #96-182-C) as shown.
