

SCALE 1" = 200'

NARRATIVE:

In 1975 Ambrose Shea surveyed the W¹/₂, SW¹/₄, SW¹/₄ of Sec. 35, for Sam Godwin. In Oct. 1981 I partitioned two parcels out of that parcel using Shea's corners even though his method of section subdivision was lacking some information and was questionable. The bearings of this survey are based on my 1981 survey for Godwin.
