NARRATIVE OF SURVEY

FOR

KELLY THOMPSON

(See Map of Survey No. 83-141-AX)

This survey was performed for the Umatilla Reservation Housing Authority as part of the 12-07 housing construction project.

The survey involved laying out a 1.0 acre, more or less, tract within the boundaries of Cecil Thompson's ownership.

The East boundary of the tract is the East line of Section 2. Due to lack of existing monuments on the East line of Section 2, and to reduce the overall cost of the survey, the East line of Section 2 was not re-established on the ground as part of this survey. More or less, call distances are shown to the East line of Section 2 and in the tract description. The South, West, and North boundaries of the tract are within overall ownership of Cecil Thompson's land. For additional information on existing monumentation in the area of the survey, see Map of Survey No. 82-60-B as recorded in the office of the Umatilla County Surveyor.
