

NARRATIVE

The purpose of this survey was to establish the boundaries of that parcel conveyed to East Central Oregon Association of Counties as recorded on Page 1117 of Roll 23 of the Umatilla County Deed Records, that described calls for Lots 1, 4 and portions of Lots 2, 3, 4, 5 and 13 of Block 107, Reservation Addition.

Previous surveys by this firm in the area, County Surveyor Nos. B-1196-A and B-125-A, along with a Control Survey by the City of Pendleton along Frazer Street were used to establish the bearings and distances for this survey. The East-West distance was proportioned from the City of Pendleton control survey and is the same as used in previous surveys. The North-South distance and bearings were based upon the Original Plat of Reservation Addition.
