

Report Survey and Plat of Road from Oregon line

Rd #40

To

Mud Creek Road.

To the Honorable County Court of Wasatch County Oregon

In the matter of the location of a County Road commencing on the Oregon line at Sec corner and running from thence south bet sections 14 & 15 to intersect with the County Road leading from Mud Creek to Milton we visivers of said road report as follows: We find the ground which the road passes over to be on very good ground for a wagon road being nearly level with the exception of a few places which need some work, but can easily be made a good road we therefore consider the route practicable and of public utility and would recommend the same to be located as County Road
