Weston Road.

To the Honorable County Court of Wasatcha County Oregon

In the matter of the location of a County Road commencing at the S. E. corner of A. J. Criglers land claim the undersigned viewers beg leave to report as follows, to wit:

We find the road to be  $5\frac{1}{2}$  miles long it will take considerable work to open it up, but we believe it will when opened be of public benefit and utility we would therefore recommend the same to be established as a County Road For further particulars with regard to angles & distances we refer to the last Surveyors report
