"Report of Viewers"

To the Honorable County Court of Umatilla County
and State of Oregon

We the undersigned viewers appointed by your honorable
body to view survey and lay out a County Road
as petitioned for by Geo Sutton and others viz

commencing at the N.W. corner of sec 36 T. 5. N. R. 35 E. and
ending at intersection with Linkton Road. met at the
time and place as directed by your honorable body
and having been qualified by J. B. Arnold surveyor
took to our assistance Alonza Bartlett and Larkin Dippo
as chain bearers and C. C. Grammer as marker.

proceeded to the discharge of our duty as directed and
having finished the same we are of opinion that said
proposed Road should be made a County Road for
the reasons that the location of said Road is a good one
and a County Road is greatly needed there as there is
no County Road in a portion of the settlement through
which it passes

this 24th July 1880
