Report of Viewers. Field Notes + Plat  
of County Road from Barnes Creek  
to Pilot Rock

"Report of Viewers"

To the Hon County Court of Umatilla

County Oregon

We the undersigned having been appointed by your  
Hon body to view out and survey a county road in the  
above named county and State would respectfully  
report that we met at the time and place appointed, and  
after being qualified according to law by Alex B Coffey  
Deft County Surveyor called to our aid James Means  
and N W Hawn as chairman and S B Wade and R  
Kelley as Axeman we proceeded to view out said Road  
Commencing at a point on Barnes Creek near the Abbey  
House thence running North Westerly by the way of Bentleys  
& Hawns Mill on the most practicable and best ground, thence  
down the divide between the waters of Hebbes Slough and  
Bear Creek by the way of the Willow Springs thence on a  
Westerly course until we intersect the Down line between  
R 30 1/2 and 31 E. of the Tillamette Meridian following said  
Range line until we entered a ravine down said ravine  
to the intersection of the Pilot Rock and Hebbner Road thence  
S.E. on said Road to Pilot Rock at a point one chain East  
of Sturtervants Store to the intersection of the Road leading to  
Beasleys Mill we would further report the Road a practical  
one and much needed and can be easily opened and kept  
in repair we further would recommend the change of said  
view from where we intersect the Down line between R 30 1/2 + 31  
E. of T. 16. "to wit" running on said line South to section post  
between sec 7, 12, 13 + 18 thence S.E. on the most practical  
ground to the Willow Springs + we would recommend that  
the petition be granted
