

Report of Viewers, Field Notes, & Plan of Road  
from Clarke Canyon by the way of E. Farnsworth's  
field and Gilliam Ranch to the South Line of Muratilla  
County.

To the Hon. County Court for Muratilla County, Oregon.  
We the undersigned having been appointed by your  
Hon. body to view out and survey a Court Road in the  
above named County, and State would respectfully report that  
we met at this time and place appointed and after  
having qualified according to law by A. L. Coffey 4th  
Court, Dunning was called to our aid E. Miner as as-  
sistant and Richard Jenkins and W. Brock as chainmen  
we proceeded to view out said road commencing at  
a point where Clarke Canyon intersects the road lead-  
ing from Heppner to Khea Creek and thence on a  
struck course by the way of Gilliam Ranch to the  
road leading from Leonard's Bridge on John's deep  
River to the North Fork of John's deep river at being  
the County Line of Muratilla & Wasco Co's.

We would further report the Road is a practical  
one and much needed and can be easily opened and  
kept in repair. We therefore would recommend that  
the petition for said Road be granted.
