Report of Viewers

To the Hon County Court for Umatilla County, Oregon:

We, the undersigned, viewers on a County road prayed for by Robert Rainey ^{and} others would most respectfully recommend that the petition for said road be granted. This road is in our opinion much needed; it connects the road down the South Fork of Cold Spring Cañon, with the road down the Middle Fork of the same, thereby giving the people in the vicinity an outlet Southward to the County seat ^{and} to the Blue Mountains. The route is very practicable ^{and} the road can be built ^{and} kept in repair at small expense,

Most respectfully
