Report of Viewers, Field Notes and Plat of Survey of a change in County Road in Cold Spring on the land of George Gibson.

Report of Viewers

To the Hon County Court

for Umatilla County, Or

We the undersigned viewers on a change in a County road petitioned for by George Gibson would recommend that said change be granted by your honorable body for the reasons that the change really shortens the road, while it also places it upon better ground north of the channel in middle Cold Spring, the old road following the channel in general crossing it twice.

Respectfully

A. B. Cooley

E. Hinebaugh
