Report of Viewers

Hudson Bay Ranch May 13th 1887

To the Hon. County Court, Umatilla Co. Or.

We the undersigned, viewers appointed on Road Survey No 284 would report that we met Jno C. Arnold, County Surveyor, at the time ^{and} place appointed by your Hon. body, ^{and} proceeded to view out ^{and} survey said road as prayed for in the petition; we find the line of the road to pass over broken ^{and} hilly ground, but not so much so in our judgment as the Geer Spring or Butler road. ^{and} we think the grade will be much easier than either of the latter mentioned roads; we also find that there is no other road answering to the demands of the public in this locality, ^{and} verily believe that road No 284 as petitioned for is much needed as well for the public as for private advantages, ^{and} for these said reasons, we recommend that the road as viewed out ^{and} surveyed be granted the petitioners ^{and} the same declared a public highway.
