We, the undersigned, Viewers in the matter of Road Survey No 331, for Umatilla County, Oregon, would report that we met Jno. C. Arnold, County Surveyor, at the time and place appointed for the same, and were each duly qualified by him. We called to our aid L. M. Fuson marker, and A. E. Rest, and Christopher Anderson, chainbearers, and forthwith proceeded to lay out said road as described in our order. We find the road located upon a Section line, throughout its length, and upon comparatively good ground. The road appears to be greatly needed, as at present the travel near it is through a field of growing grain. We would therefore recommend that the prayer of the petitioners be granted, and that said road No. 331, become a County Road.

Witness our respective hands at South Juniper this 23^d day of April 1890.
