

the ground is favorable but the bal of the road is not good that connects with it also if this Road is excepted it will only be a short time till there will be a petition for it to be changed as there is a better location and will be more satisfactory to the people that travel the road and for the community in which the road is located in the right place and which I will recommend the road to be put is to Commence at the School House & run 2600 feet South on Section line between Sec 27 & 28 then angle South East across Sec 27 up a small draw to the line between Sec 22 & 27 & follow this line till it intersects the road that is now located

Field Notes of Road Survey No 354 in
Umatilla County Oregon

I met full board of Viewers at Weston Wednesday Jan'y 27th 1891 we called A. L. Adams and Wm. Marston to act as chain men and markers each of whom was duly qualified as directed by law I set initial post at a point about 68 rods South of the Center of Section 27 1/2nd Twp N.R. 36 E. 10. N. and ran West

West 2600 set angle stake

North 2300 set terminal post 30 ft from line

I hereby certify that the foregoing field notes of Road Survey No 354 for Umatilla County Oregon are correct
