In the matter of viewing, Surveying and laying out County Road No 464  
To the Honorable County Court of the State of Oregon for Yamhill County.

We, the undersigned, the viewers heretofore appointed to view and locate Road No 464, submit the following report:

Pursuant to an order of the Honorable Court we met John W Kimbrell, Surveyor, at Milton at W J Wrights Lumber yard on the 22<sup>nd</sup> day of July, 1895, and were by him each duly sworn to faithfully and impartially discharge the duties of our appointments

We called to our aid Geary Kimbrell and J W Peabody, chainmen and Geary Kimbrell, Marker, who were by the Surveyor each, duly sworn. We viewed, surveyed and located said Road No 464 as specified in our order and find the Route to be practicable and would most respectfully recommend the same to be established and declared a public highway

Explanation

We ended the Survey at West bank of the Walla Walla river at the intersection of the East line of the incorporation of the City of Milton, as to have intersected the Mud creek Road we would have to cross City Boundary
