UMATILLA COUNTY CLERK

THE BOARD OF COUNTY COMMISSIONERS OF UMATILLA COUNTY

94 APR 13 A 11:44

STATE OF OREGON

In the Matter of Surveying )  
County Roads 348 and 442, )  
Abel Road )

SURVEY ORDER NO. SV 94-002

WHEREAS, The Umatilla County Director of Public Works has determined that the existing records on County Roads 348 and 442, Abel Road, are inaccurate or incomplete because these roads were vacated by mistake by the County Court in 1963. See attached memorandum from the Director of Public Works to the Board of Commissioners dated August 19, 1993, which is incorporated herein. Pursuant to a petition from adjoining landowners, the Board of Commissioners held a public hearing on December 15, 1993 concerning the proposed rededication of these roads to the County. No member of the public opposed the proposed rededication and it appears that said roads will be rededicated to Umatilla County.

NOW THEREFORE, IT IS HEREBY ORDERED that former County Roads 348 and 442 (Abel Road) be surveyed by the Umatilla County Director of Public Works in anticipation of rededication of these roads to Umatilla County.

DATED this 12<sup>th</sup> day of April, 1994.

To: Umatilla County Commissioners

Assistant Roadmaster  
John Leyendecker

From: *Hal Phillips*  
Umatilla County Public Works Dept.

Subject: Able - Road Vacation 1963

This Dept. was contacted by Mr. Abel regarding the road to his property on Weston Mt., just off Wildhorse Creek. He stated that he wishes to sell his property and upon having a Title search made, it was discovered this road was vacated in 1963. It seems a portion of Wildhorse was also vacated. The Road Dept., throughout the years, continued to maintain this road.

The portion of road that was "mistakenly vacated" is described as "Roads #348 and #442 ordered Vacated on November 4, 1963 by County Court" from the Southwest corner of the Southeast 1/4 of the Northeast 1/4 of Section 8, Township 3 North, Range 36 East of the Willemette Meridian, running Northeast to Section line between Sections 8 & 9, Thence Southeast through Sections 9 to Mr. Able's driveway.

As this portion of road is County Road maintained, as well as a connecting portion to another County road under maintenance, the Public Works Dept. in conjunction with Mr. Able and other property owners involved, wishes to petition to the Umatilla County Commissioners the reinstatement of this portion of road to County Road status.
