

To the Hon County Court
Wasilla County Oregon
Gentlemen

We the undersigned Viewers appointed
to view and report on the proposed
route for a County ^{road}, beginning at the NW
Cor of Sec 10 T4N R34E + Ending at
the 1/4 Post on the North line of Sec 15
T4N R35E Met on the 22 day of May
and were duly qualified by JH Raley
County Surveyor. We called to our assistance
J W. Steel & L A Walker who were qualified
as chainmen & JH Raley as axeman
We proceeded to our work as set forth
in the annexed report of the surveyor.
On examination of the order for said
survey we found that said order did
not agree with the petition for said
road, hence we adjourned to meet
again on the 24 day of May. Met again
on the 24 day of May the Order having
been corrected by the Clerk of the Court
we proceed to complete the survey as
described in the notes & plat made by
the surveyor and here unto attached.
We further report that we carefully

examined said proposed route and
that we believe that a road is
much needed and would therefore
recommend that you should
grant the request of your petitioners
and allow said road. We further report
that we have examined the Surveyors
report, plat, and Bill of Costs all of
which are attached hereto, and that we
find them correct.

Respectfully Submitted

{ Clark Walter
