UMATILLA COUNTY.

In the matter of Locating, establishing:  
altering, widening, straightening, and : Report of Board of  
changing a County Road -From the Helix-: County Road Viewers.  
Vansycle market Road at Stanton Station:  
Northeasterly to the summit of the hill:

To the Honorable County Court of the State of Oregon  
for Umatilla County,

We, the undersigned Board of County Road Viewers, heretofore  
instructed to View the said proposed road; submit the following  
report:

Pursuant to your order, we met at the beginning point of  
the said proposed road on the 22nd day of October 1929, and having  
qualified as Viewers, we proceeded to View the said proposed road.

We find that the road is a feasible and necessary one, and  
will be a benefit to the public, and therefore we recommend that  
this road be established and opened as a County Road of Umatilla  
County, Oregon. It is also our opinion that the road as laid out  
and established and graded and graveled does not have adequate  
side drainage, that is, there should be at least 3 culverts to  
carry the drainage water from one side of the road to the other  
in different places.

We find that the lands thru which this proposed road is  
laid out will not be made less valuable by reason of its  
establishment.

Board of County Road Viewers for Umatilla County, Oregon.
