

SCALE:
1" = 300'

NARRATIVE:

This survey & the bearings are based on a 1981 survey by me for Clayton Orr in which I subdivided the NE 1/4 of Sec. 31. That 1981 survey was based on one done by me in 1978 for Mark Wagner in which I used monuments at the NW cor., NE cor., and the W 1/4 cor. of sec. 31 that I believed were set by Kimbell in 1910.
