

NARRATIVE: The purpose of this survey is to stake the corners of that tract of land described in DRED to NEIL WOLFE et ux B. 329, Page 580 for a pending sale and to show any overhead power lines.

I partially subdivided this section when I set the C/A in a survey by me to correct an erroneous survey in 1977. The bearings of this survey are based on that 1977 survey.
