NARRATIVE:

The purpose of this survey is to stake the corners of two parcels described in Deeds Book 322, Page 542 and Book 322, Page 640, to see how the fences are. I believe there were about 13 parcels partitioned and sold by Gillespie in the North Half of the SE 1/4 of the NW 1/4 of Section 12 without the benefit of official surveys. None could be found at the County Surveyor's office.
