The purpose of this survey is to stake the east line of that tract of land Deeded to Jaxo et ux, recorded on R 31, P881, Deed Records and to survey the fence line near the west line of said parcel and to redescribe the affected tracts to conform to the fence line.

This survey is based on one done in 1974 by Don Staebler for Red Leonard in which he subdivided the section. The $\frac{1}{2}$ " I.R. I set on Carpenters Sur. was set using Staebler's 1974 Survey and the B.C. at the E $\frac{1}{4}$ was set by Krumbein at the location of a monument used by staebler (in 1980 survey for the County).
