LEGEND

- ----- set 5/8" x 36" Rebar with red Plastic Cap Stamped RLS. 1333
- ----- Found 1/2" Rebar pin

HERMISTON HEIGHTS ADD'N
TO HERMISTON, OREGON
In N.E. 1/4, Sec. 10, T4N, R28E, W.M.

NARRATIVE :

The purpose of this survey is to locate and monument the north line of the tract described on Page 684 in Roll 185 of the Umatilla County deed records. The Plot of "Hermiston Heights Addition" and Edwards survey # Q-1186-A was used for control. I found the four pins set in the said Edwards survey for control and the north line of Hermiston Heights Addition for a bearing base of N 66° 57' E which was also used in the said Edwards Survey for Ron Moulton. One distance does not show any hundredths which is taken verbatim from the deed.

Donald L. Staebler
