NARRATIVE

The purpose of this survey was to establish the boundaries of a 10.68 acre parcel. We used information from the City of Pendleton "West Slope Road Right-of-Way Acquisition" drawing, dated June 10, 1977 and "Cemetery and Adjacent Area Property Annexation," dated July 2, 1979, drawing no. 24-5612. This information was tied into control surveys done for the Pendleton Junior High School.

Bearings are based on City of Pendleton Local Grid System. Bearings used are those in the Bargain and Sale Deed from John Whitesell to Pat Hoffman. Fence lines are shown as they existed in December 1981.
