## CERTIFIED RECORD OF LAND CORNER MONUMENTATION

### HISTORY OF ORIGINAL CORNER ESTABLISHED:

Corner was originally established under GLO contract number No. 635, dated April 19th, 1895, executed by Manius Buchanan. Surveyor General field notes state:

Set a basalt stone 18x10x6 ins. in mound of stone, on rock, marked 1/4 on North face, and raised a mound of stone, 2 ft. base, and  $1 \ \$ ft. high, N. of cor. Pits impracticable. This cor. is on summit of a ridge

In 1971 the BLM noted on a corner record card: "Not a legal proportion, Set corner 1/2 way between sec. corners. The corner is a steel post with a location tag attached. Set a large mound of stone at the base of the post. Is adjacent to a large rock jack in the Forest Service fence.

#### DESCRIPTION OF CORNER EVIDENCE FOUND:

Found an 18" x 10" x 4" stone marked '1/4' loose in South side of rock jack from which fences bear East/West along on the South side. Remnants of an ancient fence line up with the West side of the rock jack. An embedded 2 foot mound of stone falls 5 feet North of the Southeast corner of the rock jack with a steel post and location tag in the center of it.

# DESCRIPTION OF MONUMENT AND ACCESSORIES I ESTABLISHED TO MONUMENT THE ORIGINAL LOCATION OF THIS CORNER:

At the Southeast corner of the rock jack I set a  $5/8" \times 20"$  iron pin, 18" drilled in the rock, with 2 1/2" aluminum cap marked as shown, from which:

#### NEW BEARING OBJECTS:

A 3/4" x 2" magnet encased in silver and black plastic bears North 49°06' East, a dist. of 24.06 feet.

A 3/4" x 2" magnet encased in pink and black plastic bears South 53°57' East, a dist. of 20.59 feet.

A 3/4" x 2" magnet encased in blue and black plastic bears South 36°43' West, a dist. of 11.50 feet.

A 3/4" x 2" magnet encased in orange and black plastic bears North 32°21' West, a dist. of 24.87 feet, marked SurvKap
