

E. Bdy. T 5 N R 37 E W M.
 As surveyed by Odell & Lewis, U.S. Deputy Surveyors,
 Under their joint Contract No. 110,
 Dated Feby. 7th, 1865.

Chains

N. bet. Rs. 37 & 38 E., Tps. 5 N., on E. Bdy. of Sec. 36.

Var. 19° E.

40.00 Set $\frac{1}{4}$ Sec. post; from which

A fir, 8 ins. diam., brs. N. 79° W., 12 lks.

A " 10 " " " S. 73° E., 20 "

80.00 Set post Cor. for Secs. 25, 36, 30 & 31, on steep side
 hill, facing W.; from which

A fir, 12 ins. diam., brs. N. 56° W., 139 lks.

A " 6 " " " S. 89° W., 55 "

A " 5 " " " N. 19° E., 27 "

A " 4 " " " S. 60° E., 20 "

This line passes through thick timber, fir, larch and pine.
 Undergrowth the same. The last half descends toward the
 Walla Walla River, N. branch.

We found the snow too deep to proceed further with this
 line, consequently the remaining 5 miles of the E. Bdy.
 of this Tp. remains to be run at some future time.

This Tp. ought to be subdivided and at least one tier of
 Secs. on W. of T 5 N R 38 E., since the lands are val-
 uable for the timber.

A large district of country in Oregon and Washington Terri-
 tory are dependent on these mountains for their timber.

E. Bdy. T 5 N R 37 E W M.
 As surveyed by Geo. Williams & W.H. Odell, U.S. Dept. Surveyors,
 Under their joint Contract No. 176,
 Dated July. 20th, 1872.

From the established Cor. for Secs. 25, 30, 31 & 36, on
 the Range line bet. Rs. 37 & 38 E., T 5 N., which Cor. I
 find to agree with the field notes furnished me by the
 office. I run

N. on true bet. Secs. 25 & 30.

Var. 20 $\frac{1}{2}$ ° E.

Along side hill face W.

12.00 Descend steep hill.

40.00 Set post for $\frac{1}{4}$ Sec. Cor.; from which
