

207 lks north of corner common
to secs 6, 31, 1, 36

From the $\frac{1}{4}$ cor common to secs 6 & 31
I run a transit line east straight
bet sec cor 6, 31, 1, 36 & $\frac{1}{4}$ cor along
intersecting random line bet secs
5 & 6, 54 lks south of temporary
corner set. I find sec. cor common
to secs 5, 6, 31, 32. 144 links east
of random line bet secs 5 & 6 and
27 links south of transit line
east along township line.

Aug 29.

From intersection of transit line
with sec line bet 31 & 32 I turn
90° 24' right from transit line
run yesterday, and run north.
